REMARKS

The following preliminary amendments are made to correct inadvertent errors in the application as filed.

The number of claims in this application was 18 and as a result of this amendment, 18 claims remain in the application.

Paragraphs 0027, 0029, 0030, 0031 and 0061 have been amended to correct typographical errors. Paragraph 0031a has been added to provide a brief description of Fig. 7B which was inadvertently omitted from the application as filed.

Claims 1 and 12 have been amended to remove the term "with ventilation" in order to more accurately reflect the invention.

Claims 3 and 14 have been amended to correct inadvertent clerical errors.

The Abstract has been amended to remove the term "with ventilation" in order to more accurately reflect the invention.

Fig. 2 of the drawings is replaced to correct an illustration error in which, due to oversight, placement line 2-2 was somewhat misaligned.

No new matter has been added.

It is believed that this application is in condition for immediate allowance. The Examiner's favourable consideration is respectfully solicited.

Respectfully submitted,
Brent SHELDON
